Ingrid-

I'm curious as to the status of the [REDACTED] trial scheduled for Jan. 5th, 2010? I'm asking since a Pittsfield Superior Court trial that I was summoned for on Jan. 4th has been pushed back to the 5th since the mayor of Pittsfield needs to be sworn in on Monday morning. The ADA in the case (Richard Locke) may be able to squeeze me in late on Monday afternoon, but if not he is hoping for Tuesday (he us actualy! hoping the the def. will plea, considering he was caught doing 5 UC transactions last Wed.) Thanks for keeping me informed.

Richard-

Anything new in the [REDACTED] case? Do you know if you are going to need me Pittsfield yet, as I know know ADA Anne Yereniuk thinks that her case in Holyoke will be a go? Thanks.

[REDACTED] was arrested on 12/23 for drug dealing and had his bail revoked on our case, he should be pleading so I'll reach out to his attorney and see what's up, I'll keep you posted

Sonja,

██████████ is held so that will be a first priority trial on 1/4/10. The defense attorney is a little flighty to say the least so we'll see but he doesn't want to plea to my recommendation. For me, you're still on call.

Thanks,
anne

Hi Anne and Richard-

I know that it is still a week away, but I am just inquiring about the cases (listed below) scheduled for Jan. 4, 2010, to see if anything has changed that would impact the need for me to testify (i.e. a plea, stipulation, etc.) as it will be impossible for me to be in Pittsfield and Holyoke at the same time. Thank you.
